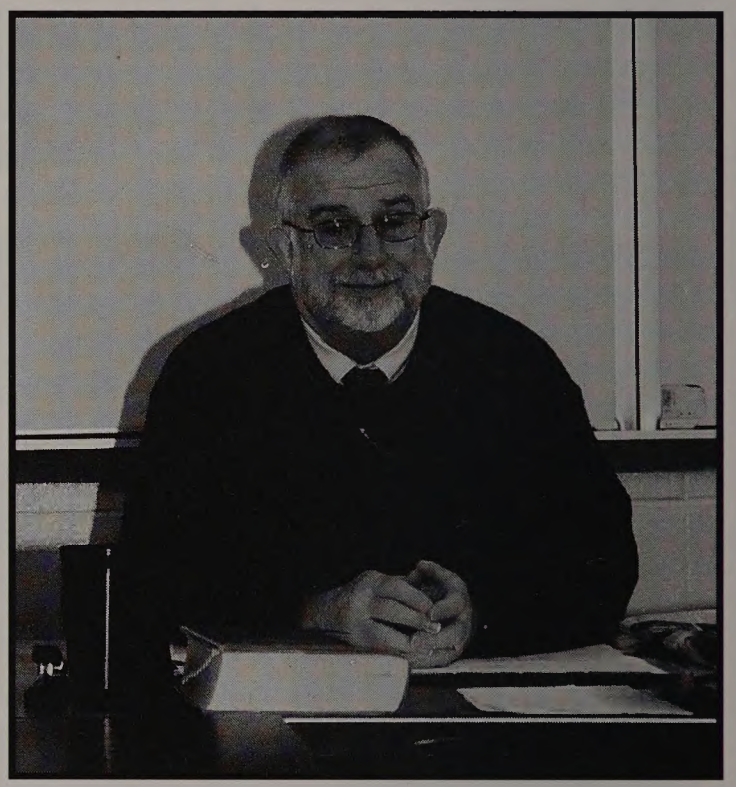
DEDICATION

The class of 2004 dedicates its yearbook to Mr. Paulhus. A graduate of Case in 1966 he has taught history and economics here for the past 34 years. He always encourages us to pursue our goals with kindness and enthusiasm. During class, he allows us to express our opinions in discussions, while constantly reminding us of his liberal views. But most importantly, he is always supportive and concerned with our welfare. His caring attitude and positive influence will stay with us for many years to come. Thanks, Mr. Paulhus, for all you have done for us.

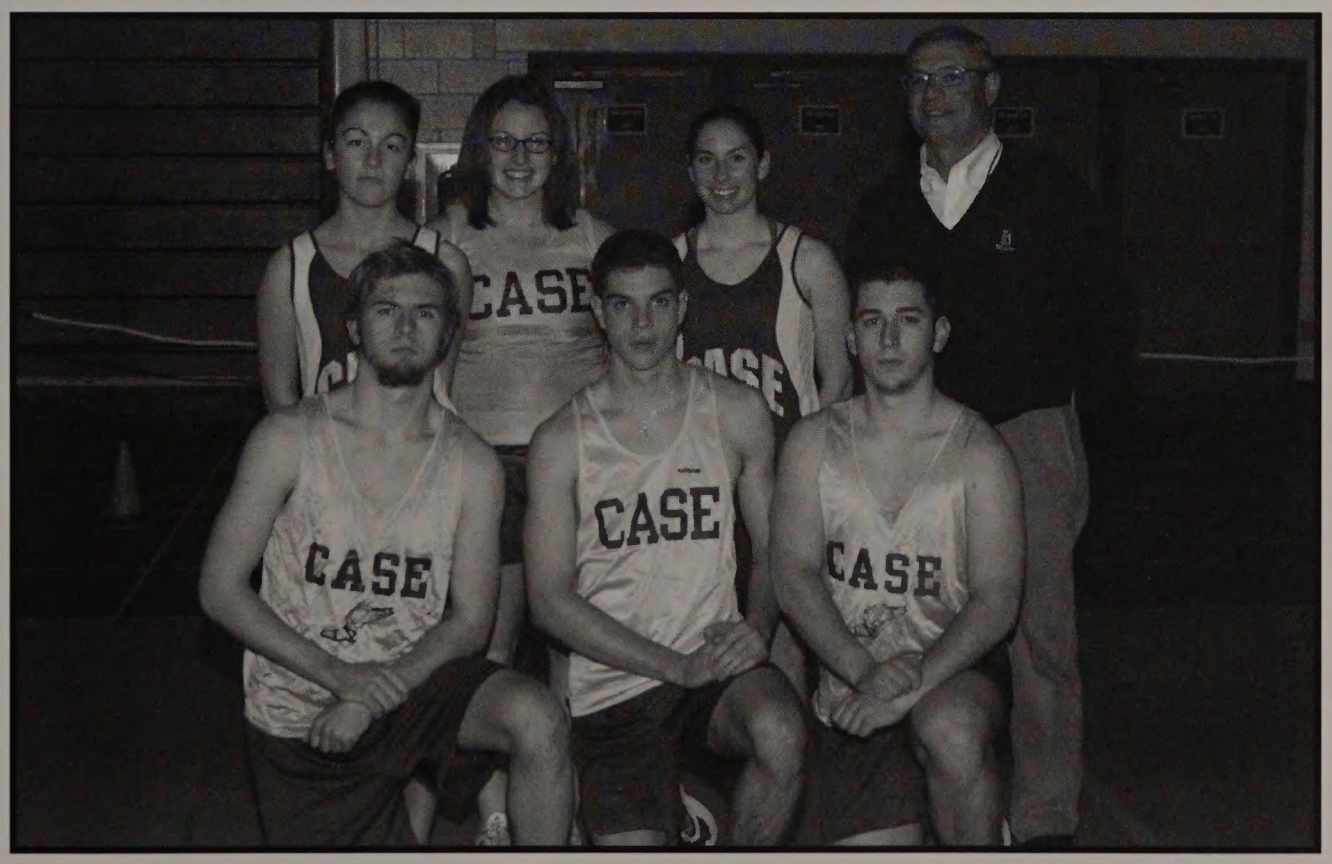


IN APPRECIATION

Mr. Joseph Santos, our principal, is retiring this year after 36 years of service to Case High School. Add four more years to that since he was a student at Case, and it is obvious he has given a lot to our school.

There is a lot many of us do not know about Mr. Santos during those years. He was an outstanding student-athlete during his high school years. He was a popular teacher, coach, and Athletic Director before he became an administrator.

We know him now as our principal and as the man who greets us every morning with a smile. He constantly tells us how proud he is of Case High School. Therefore, we just wanted to say thank you to Mr. Santos. Thanks from the Class of 2004 and from all the students who have passed through Case High during the past 36 years and have benefited from his teaching, his leadership, and his caring personality.



To The Class of 2004

Congratulations on the attainment of your High School Diploma. It has been a highly successful group effort involving your teachers, friends, parents, family members and you. I hope that the Town of Swansea, the schools and all the people involved in your education remain an important part of your life.

It is interesting to note that a good part of 13 of your 17 years has been involved in obtaining an education. This dedication of effort and time enables you to be part of a society that demands more and more education and training of its citizens. Technology has impacted and changed the way we work and live. We can only guess at the changes that will occur as you become involved with family and career pursuits in your future. It has been said that "an educated population is the strength of the Republic." America in the future will increasingly demand more of its citizens; I am confident that the education you committed yourself to and earned will continually expand your future opportunities.

Congratulations on your important achievement.

Sincerely,
Stephan C. Flanagan
Superintendent of Schools

To The Class of 2004,

It is with mixed emotions that I write this parting letter to you. Watching you grow and mature into fine young adults over these past four years has made me proud to be your principal. The determination you showed in raising the dreaded MCAS standard was outstanding. The high level of competition you possessed in academics, athletics, musical and theatrical events was remarkable despite the activity fees for extra- curriculars and user fees for sports and user fees for sports. The high percentage of students going on to post secondary schools is a tribute to your hard work here at Joseph Case High School. I congratulate you on these accomplishments and I share in the joy you feel.

A bittersweet moment will come for me on your graduation day for I will finally be graduating with you. This will be my second graduation from Joseph Case High School. Four years as a student and thirty-six years as a teacher, coach, and administrator make it difficult to say good-bye, but I will take with me many fond memories.

Classes like yours make all the hours of work being an educator worthwhile. I hope some of you will consider entering the field of education. Although you may never get rich, you will receive as rewards the successes of all the students who graduate.

You have been fortunate to have excellent teachers that have challenged you to give your personal best. As you continue along on your chosen paths, I hope you will challenge yourself to be the best that you can be.

On June 6, when I introduce you as the graduating Joseph Case High School Class of 2004, I will stand proudly beside you as a graduate looking forward to new challenges.

Sincerely yours,
Joseph D. Santos, Principal

To the Class of 2004:

In early December, my oldest daughter came home from first grade with a book taken out of her school library. While scanning the collection of poems, I came across one by Emily Dickinson that reminded me of your class. Senior year and graduation rounds out as a time for endings and new beginnings. It's a period filled with happiness, sadness, anticipation, and nostalgia. Dickinson's "Sun" encapsulates how Joseph Case High School has served you twofold: as a beginning of your adult life, and as a warm, memory-filled ending of your childhood filled with knowledge, laughter and exploration.

"I'd rather collect a setting
Than own a rising sun
Though one is beautiful forgetting -
And true the other one."

May you continue to shine.

Class History

Freshman Year

The summer is over and we embark on what we feel will be the best and worst day of our life. We struggle to get our lockers open as the upperclassmen laugh at us. Finally we get them open and realize the "pen trick" will make our year that much easier. There is no boys soccer team and the class officers we elect are President **Amber Linczewski**, Vice President **Kara Machado**, Secretary **Bethany Chase**, and Treasurer **Jackie Ryan**. We quickly realize that we will always be last to eat this year but it is okay because our chicken nuggets are perpetually changing. We don't understand the popularity of the song, *Who Let the Dogs Out*, but even worse we have to listen to Mr. Vogler's version. The softball team wins the State Championship. Drama performed the Broadway play, *Epic Proportions* at competitions and makes it to the state finals. We claimed victory against Somerset and the trophy is home! We have to take finals for the first time and we were very excited to begin the summer. "We were merely freshman."

Sophomore Year

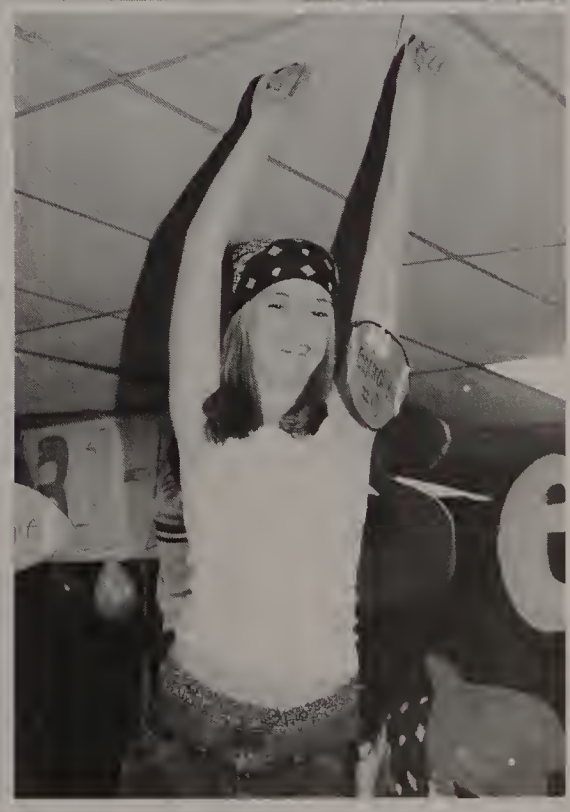
We begin the year at Case but we can barely recognize the school. The rainbow lockers with black polka dots have been replaced with double decked maroon lockers. The only perk is we can actually get the lockers open. The duck taped and stained rugs have all been replaced but it will take two months before they are completely installed. The tragic events of September 11th change the school and the world forever. "Where were you when the towers fell" becomes the defining question of our generation. The drama trip to England and Scotland must be postponed for another year because of our safety. The Patriots bring pride back to our area with their Super Bowl win over the Rams. We elect new class officers who are nervous because they must make a speech in front of the entire class. Elections result in President **Kathryn Mosher**, Vice President **Cassey Lamothe**, Secretary **Stephanie Cabral** and Treasurer **Holly Brown-Ayers**. The volleyball team wins the state championship. The football team claims another victory against Somerset, this time at home. We do our school proud on the MCAS Exam as we are one of the most improved schools in the state. Our faculty takes a hit as Dr. Gauthier, Mr. Demary, Mr. Gray, and Mrs. Smith leave after a long stay at Case.

Class of 2004

Junior Year

Junior year begins with our first September 11th memorial ceremony. The Drama and Music department put on a very memorable assembly for the one year remembrance. The music department releases their first CD entitled "Spirit." The booming war in Iraq creates fears that the England/Scotland Trip may be postponed yet again. Tragedy strikes closer to home as 100 people die in a fire at the Station Nightclub in R.I. Eagerly planning the prom are new class officers: **Holly Ayers** as President, **Steph Cabral** as Vice President, **Katie Redfern** as Secretary, and **Kayti Mosher** as Treasurer. The budget cuts become a reality when sports fees are issued. The drama company's performance of *The Laramie Project* stirs up anti-violence sentiment. Case High puts on its very first prom fashion show and we go to support our classmates who are models (**Kyle Galego**, **Joey Martelly**, and **Dylan Zygmont**). The year ends with a spectacular prom, at the Abbey Grille. We know in a few months, begins the end.

Senior Year



Here we are at the end of the road. Our fall sports have excellent seasons even with the incredibly large sports fees. Five out of six teams make tournament. Golf places fourth, field hockey, volleyball win SCC, and both soccer teams had great seasons. The Patriots have a great season, also, defeating the Panthers to win their second Super Bowl in three years. In other news, the war in Iraq is over and Saddam is caught, but we are beginning to wonder if the killing of Americans in Iraq will ever end. The class officers plan our senior dinner with karaoke; they are President **Holly Ayers**, Vice President **Steph Cabral**, Secretary **Stacey Houle**, and Treasurer **Joey Martelly**. Record low temperatures cause the school to close for a day. Kara Machado tumbles her way into CHS "hall of fame" holding each and every record for gymnastics. Girls and boys basketball both have amazing seasons. The Drama Company performs Charlie and the Chocolate Factory. The Case and Somerset bands combine to have a wonderful halftime show. We anticipate a great ending to our high school years with our Bay Queen cruise, the prom at the Venus, and finally, Graduation. On a sad note for Case High, Mr. Santos prepares to graduate with our class. We will never forget the memories we have made at Good 'Ol Joe Case.

GOLF

Fourth place finish in the state!

The 2003 golf team had its finest season ever. The team finished third in the South Coast Conference with an impressive record of 15-3-2. They also placed second in the SCC Tournament. Next onto the the State Sectional Tournament held at Cranberry Valley C.C. in Harwich where the team finished third which akkowed them to move onto the finals (never had been done before). At the State Finals the team placed an impressive fourth overall. This means that out of 82 D-3 teams in the state, Case High golf is fourth best. NOT BAD!

Even though we win or lose as a team, certain individuals need to be mentioned. First, congratulations to Matt Gauvin for a good season despite a severe leg injury during the off-season that could have terminated his career. Secondly, congratulations go to Chris Kenyon and Austin Keneshea for winning the Sportsmanship Awards. Thirdly, congratulations to Tim Boyce for winning the Coach's Award. Finally, congratulations to Brendan Malone for winning the 2003 MVP Award

Fall Cheering

Our fourth place finish at the Regionals highlights the season

The Fall Cheering Squad started off with a lot of potential. Through the problems and injuries the girls pulled together and made the best of it. We had a lot of fun and also accomplished a lot. With a late start and only a few weeks to prepare for competition we made it to Regionals where we placed fourth.

Senior Captains who held the team together were Kara Machado and Kimmy Kocak. Kara earned the MVP Award . Congratulations to Kimmy and Megan Villella who earned the Coaches Award, and also Katy Burns, Emily Decof, Stacey Houle who won the Sportmanship Award.

They finished the season with a record of 9-1-5 in the SCC and 10-3-5 overall.

FOOTBALL

other teams are scared to visit...

The 2003 Case High Football Team yet had another tough season. Due new and expensive user fees, numbers were down. It was tough to stay strong with only three starting seniors. Justin Lachance, Matt Baluch and captain Joe Martelly along with injured players Corey Toole and Bob Teirney, showed up everyday to play with all heart and integrity they had.

This was the year underclassmen needed to step up big.

Some Juniors returned along with some somphmores making their varsity debut. This season had no label of and upper or a lower classeman. The Cardianls consisted of every players showing up every day to play hard, to play with pride, and to play to win.

We will always remember how the season ended on Thanksgiving Day. To returing players, keep in mind that there is still 1:29 left from last season.

Good luck in returning the Pride.

GIRLS SOCCER

BMess leads us into the tournament

The girls' soccer team had another successful year, finishing the regular season with a record of 10-7-1. Also, for the second year in a row we qualified for the State Tournament. Our hopes of making it farther into the tournament than last year were crushed with a devastating 3-2 overtime loss to Foxboro in the preliminary round. It will be hard to replace the talented senior class. Especially Beth Messier, arguably best female soccer player to come out of Case, but the underclassmen are ready to step up to the challenge.

Awards were received by Beth Messier for MVP, Sarah Higginbottom for the Sportsmanship Award, Jess Neales for the Coach's award, Amanda Choiunard for Most Improved Player, and amanda Resendes for Rookie of the Year.

Best of luck to our graduating seniors, Beth Messier, Sarah Higginbottom, and Jen Costa.

First row(l to r); Sarah Higgenbottom, Beth Messier, Jessica Neales, Nina Resendes, Jamie Panek; Second row: Arielle Summers,Elyse Gauvin, Alison Chouinard, Katrina Hordern, Elise McLear, Emily Gagnon, Amanda Resendes; Third row; Jen Costa, Kayleigh DeMello, Amanda Lane, Desiree Sousa, Amanda Morse, Alanna Dias, Kayla Manchester.

Our second straight tournament appearance proves

that the girls' soccer program has arrived at Case

BOYS SOCCER

State Tournament bound!!!

Our boys' soccer team had its first successful season in years. In their third year under Coach Manny Alves, the Cardinals had a winning record and reached the state tournament. Led by captains Kevin Cabral, Nick Szwaja, and Ben Emard the Cardinals improved their record to 8-5-4 after finishing each of the last two seasons with a record of 2-14-1. The addition of senior goalkeeper Dylan Zygmont, as well as the work of many new freshmen helped to improve the team. Another positive point for our soccer program was that for the first time in years we had enough players to field a junior varsity team as well.

The MVP Award was presented to senior Brendan Connors. The Coach's Award went to Jeff Trudeau, and Dylan Zygmont earned the Sportsmanship Award.

First row (l to r): Gabe Alves, Jeff Trudeau, Chris Langevin, Mike Ferreira; second row: Dylan Zygmont, Ben Emard, Nick Szwaja, Kevin Cabral, Brenden Connors, Brandon Ribeiro, third row: Matt Gonsalves, John Kennedy, Brendan Horne, Nick Ferrara, Felipe Raposa, Nick Ferreira.

A home tournament game and a winning

record highlight a great season for boys soccer.

VOLLEYBALL

State South Sectional Champions!!!

We finished the season with a record of 17-3. We destroyed Bourne, a long awaited victory, to win the South Coast Conference championship. After winning the South Sectional Tournament, we competed in the MIAA Division 2 State Championship match. We finished, discouraged but very proud, in second place in the state after losing to Marlboro. All-in-all it was a truly victorious and admirable season.

Seniors Beth Chase and Alex Fanuele were the Captains for the 2003 season. Junior Jasmine Bonanca and Alex Fanuele both received the MVP Award.

To next years team: good luck girls, have fun and WIN STATES!

First row (l to r): Jessalyn Hyland, Jackie Davis, Alexandra Fanuele, Beth Chase, Amanda Machado; second row: Kristen Hordern, Lindsey Koutsogiannis, Lauren Saylor, Jamie Kennedy, Jasmine Bonanca.

GIRLS BASKETBALL

SCC Champions and a lot more to come

Our girls' basketball team had a terrific year. Going 21-1 during the regular season, we clinched the SCC co-championship. It was a thrilling home win over Old Rochester before a packed gymnasium that gave us the title. Our trip to the State Tournament ended in the semifinals of the South Sectionals with a tough loss to eventual champion Westwood. Although our season fell short of what we had hoped for, we still proved to be very successful both on and off the court. We had a great team chemistry and matured greatly during the seaon. We proved that dedication and hard work pay off in the end. With a very young team (no seniors this year) we know that we will be back.

The Sportmanship Awards this year went to Elise McClear and Desiree Sousa. Jasmine Bonanca received the Coaches Award and Sarah Fullmer was named the MVP. The Most Improved Player Award was given to Lauren Pollard and her sister Nicole won The Best Defender Award.

First row (l to r): Jackie Davis, Desiree Sousa, Nikki Pollard, Kristen Reynolds, Elise McLear, Lauren Pollard, Jasmine Bonanca; second row: Coach Dionne, Lauren Saylor, Meg McDonnell, Sarah Fullmer, Charlotte McDonnell, Coach Martin.

We advanced to the semifinals of the Sectionals

behind our rallying cry "Let's Do This".

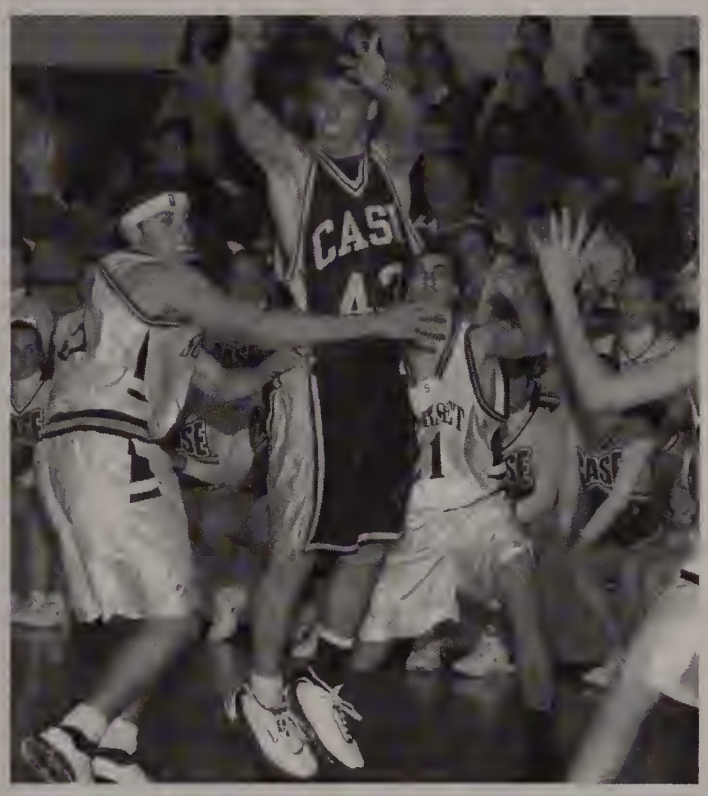
BOYS BASKETBALL

SCC Champions in Coach Crossley's last season.

The boys' basketball team made this season one that Coach Crossley or the team will never forget. We finished the season with a 16-7 record, with a share of our first league championship since 1970. Although there were bumps along the road, we won eight of our last nine games, including two wins in the State Tournament against Bishop Stang and Archbishop Williams. Our outstanding run came to an end in the second round against Rockland, who went on to win the South Sectionals. Although Coach Crossley has left, next year's team will still be prepared to achieve the success it has maintained over the past four years.

First row (l to r): Nado Pinder, Tim Boyce, Tim Manton, Ben Emard, Kevin White; second row: Coach Kimball Crossley, Alec Hall, Danny Boyce, Nick Szwaja, Dylan Zygmont, Cory Ferreira.

The first championship since 1970 and the first double



tournament win since 1984 highlight a great season.

Due to the expertise of our coach and the determination of our squad, we were able to to cheer in the SCC competition at New Bedford Vocational High School. Gymnastics

This was one season to always remember. The "Casonk" gymnastics team was lead by senior captains Katy Burns and Kara Machado. At the beginning of the season Coach MaryBeth Turner set a team goal of 120 points. During our last meet of the season against Notre Dame we reached our goal with a score of 123.9! At the winter sports banquet, Kara Machado was named MVP, sophomore Taylor Duhamel received the Coaches Award, and Katy Burns and senior Alicia DeCesare recived the Sportsmanship Award. It was certainly a memorable year as great friendships were strengthened with the girls from Seekonk who were on the team. Good luck to the team next year!

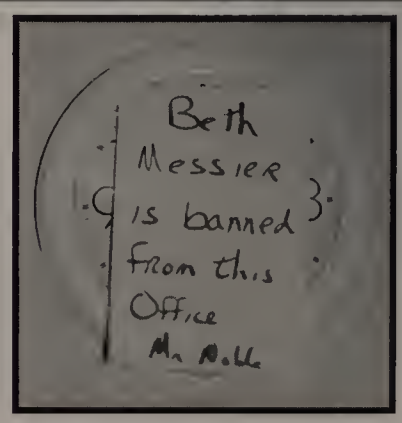
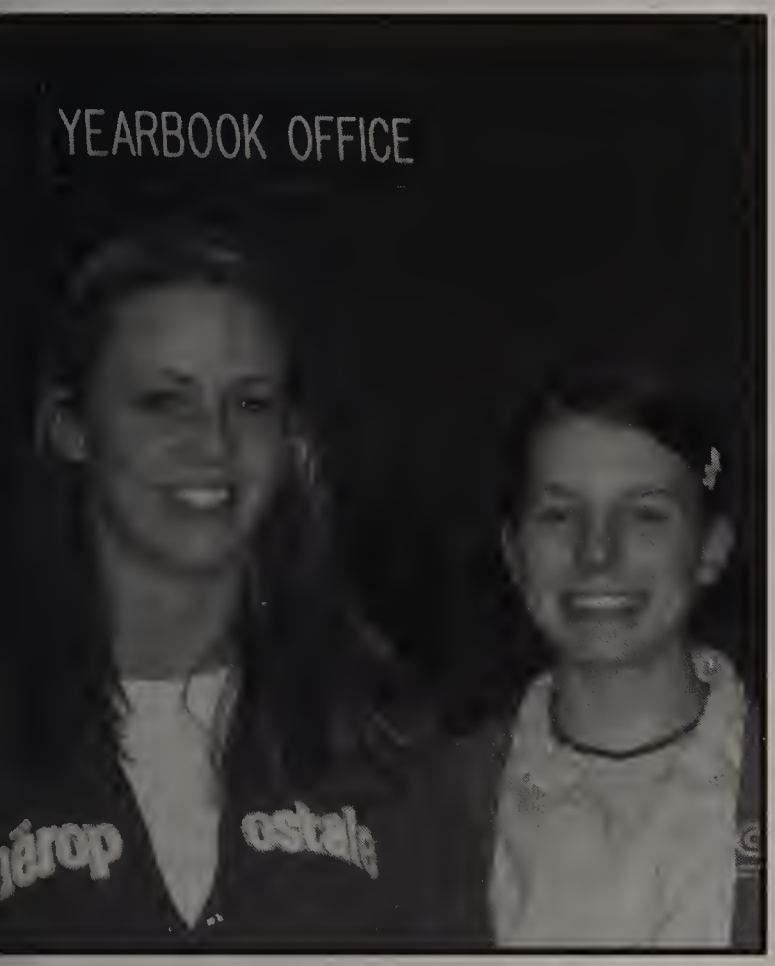
YEARBOOK STAFF





After four years, it is finally our turn to open the pages of what we hoped would be a great yearbook. With the help of our dedicated staff we have been successful in its completion. We would like to thank our entire staff and Mr. Noble because without all the help we received, the yearbook would not have been as memorable. With countless pictures taken, hundreds of cheese balls eaten (and stolen by Mr. Shaker) we are pleased to present you with the 2004 yearbook.

During the summer of 2003, as editors, we went to Bryant College for a yearbook workshop. It was there that we devised the cover, which we are excited to unveil along with many other little ideas to help create the yearbook. Deadline by deadline, page by page the yearbook has been slowly pieced together. We appreciate all the help we have received and would like to thank Mr. Noble, the staff, Mr. Norv Garnett, and the many others who did not go unnoticed.

We hope you look back on this yearbook and remember all the great times you had at Case High School. Enjoy!

Your Editors,

Brittany Marcoux and Kathryn Mosher
